				Demonstrably Special Significance					
Site Description	Notes	Close Proximity	Local in Character	Beauty	Historic Significance	Recreationa I Value	Tranquillity	Wildlife Richness	Meet NPPF Criteria
Field adjacent to St Barnabas Church, Beanacre	The field behind the Church is used for cricket and some community events. It is also used to exercise dogs. Has a wild flower meadow and MWPC lease land to run a play area. Anecdotally understand that the land was left to the church as long as used for the community								
Three Fields Parallel to Westlands Lane on the South side between the A350 and the railway bridge (Beanacre)	No- extensive track of land not local in character. Request came from dogwalker.								
Roundponds (Town)	Is in the centre of housing areas and provide dog walking and space for children to play.								
Awdry Avenue (Town)	Is in the centre of housing areas and provide dog walking and space for children to play. Gives open feel.								
Blenheim Park (Opposite the Pilot) Bowerhill	Has historical importance as it is the green in front of two houses. One of the houses was where the officer commanding RAF Melksham lived. Believed to be owned by Selwood Housing. Registered as a village green by MWPC.								
Area from Bader Park to Blenheim Park (Bowerhill)	This is the open space that runs along the back of St Athan Close. It is away from the traffic so would be a safe place for children to play. It is an open space for residents from the social housing in Blenheim Park.								
Harvard Close (Bowerhill)	Children from nearby houses can play safely with very little traffic.								
Bowerhill Sports Field (Bowerhill)	This is a sport and recreational field where organised sport can be played. Do not need to protect as it is designated as a Field in Trust?
